MUSIC–DESCRIPTION MATCH

Item 1 of 10

**Music description**

This is an electro track with punchy drums and a synth that makes you want to dance.

**According to the description, how do the electronic track's drums and synthesizer come across?**

- ◯ The drums sway gently, while the synthesizer encourages quiet reflection.
- ◯ The drums hit firmly, while the synthesizer creates an urge to dance.
- ◯ The drums rumble tensely, while the synthesizer creates a feeling of suspense.

Submit one choice. You cannot change it after submitting.

Submit choice

**Audio unlocks after you submit your choice.**

Answer the description question above, then select “Submit choice”.

## How well does the music match the description?

Listen to the full clip once, then rate the match rather than your personal enjoyment.
